Getaway Lifestyle Big blocks Location

The best of both shores. **Burnett Shores.**

A riverside oasis and blossoming community. The best of both worlds for you and your family, with your choice of low-maintenance, level building blocks (with potential for water and rural views), ideal for larger homes, and all river and Oceanside activities at your fingertips.

Quarter -acre blocks near the water from only \$99,000..

Large home-sites near the river and the ocean. A prestigious urban community, designed with lifestyle in mind. All over 1,000m², providing privacy and security.

It's still affordable to live near the water, but there's only a few lots left. With the continued development of Bundaberg Marina foreshore with planned residential and retail facilities, there is massive potential for capital growth.

This is an ideal Investment Opportunity – a coastal lifestyle with year round fishing and the beautiful Southern Great Barrier Reef right at your feet.

House and Land Packages available from \$259,000.

Final release now selling: Stages 1 and 2 have sold out. Don't miss this opportunity.
